

# OPEN EVENTS

## 2018-19

The Maynard School is an outstanding independent day school in Exeter for girls aged 4 - 18 (Reception - Upper 6). With the opening of a Performing Arts Facility last year, a new Fitness Suite due for completion in October 2018 and a surge of national recognition for its successes, it is true to say that The Maynard is thriving as one of the very best schools in the South West.

The best way to find out more about us is to come and visit. Our open events this autumn will give you a fantastic opportunity to see the school in action and experience all it has to offer.

Our group entrance assessment days take place in January but individual visits, taster days and entrance assessments for all year groups can also be arranged at any time throughout the year.
