Impact of 2013-14 funding		
<p>Our extensive pupil tracking shows that pupils in receipt of Pupil Premium, who are on FSM, and service children, continue to make progress in line with, and often exceeding, that of their peers.</p> <p>Teacher assessment and National Curriculum test results at the end of Key Stage 1 and Key Stage 2 show that our pupils in receipt of Pupil Premium and Service Premium continue to make outstanding progress from their starting points. Their attainment and progress is in line with and often exceeding that of their peers. These high standards are mirrored by teacher assessment and test results across the school.</p> <p>Additional early intervention funded by the Pupil Premium is in place to support younger pupils achieving 'emerging' in the specific areas of reading, writing and numbers within the Early Years Foundation Stage in 2014, as well as supporting reading and writing in Year 1, to ensure that our standards are maintained and built on further.</p>
