PE & School Sport**

Sports Premium Funding

At West Hill Primary School, we recognise the contribution of PE to the health and well-being of children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

For the academic years 2013/14 and 2014/15, the Government is making available to all Primary Schools a sum of money to allow them to continue to develop sports provision within school and to help schools increase pupil participation in sporting activity. Schools have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. In 2013/14 West Hill Primary School received £9329.00 in total in two tranches: September to March and April to August. There is similar funding for 2014-2015 also delivered in two tranches.

Our Primary School Sports Funding will enable us to continue and extend our provision through employing additional PE and sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions. As a result we aim to raise the level of physical activity across all year groups and increase our children's enjoyment of and participation in a greater variety of sports.

West Hill Primary School PE & School Sport

How we measure the impact of the Sports Funding:

- Assessment of teachers' confidence in planning and delivery of lessons; monitoring and scrutiny of planning.
- Observations of children and staff during PE/Sport lessons.
- Providing equipment which is fit for purpose and used more effectively to deliver high quality PE lessons.
- Monitoring pupil participation in PE/Sport at lunchtimes and after school clubs.
- PE Co-ordinator's termly monitoring of pupil involvement, including in lunchtime and after-school clubs.
- Participation of children and success in inter-school matches, intra-House matches and tournaments.
- Results and success rate in competitive matches both in and out of school.
- Report by specialist Teacher from The King's School and specialist Sports Coach.
- Reports by PE Co-ordinator to the Headteacher and Governing Body; monitoring by Headteacher and designated Governor for PE.

The Sports Partnership Plan is linked to this PE and School Sport Plan.
