2. Matters arising from the minutes:

Clarification that the PTFA will be running a sunflower competition (funded by the parish council) as opposed to the wildflower competition that is concurrently being run locally by the Parish Council.

3. Confirmation of any decisions made between meetings:

The school have confirmed that they were able to contribute £3000 towards the cost of the Chromebooks meaning the PTFA contribution is now less than anticipated.

4. Accounts update:

a) Update from Nicky; no change since last meeting.

Approx. £8500 left in the bank after agreed spending and also incorporating the £3000 previously allocated to the Chromebook fund.

b) Update on previously agreed expenditure:

- A wooden thank you tree for the rocket fund donations has been ordered at a cost of £22.60. A wooden backing is needed. SG may have something suitable.

5. School funding requests:

None at present.

6. Other Requests:

No other requests.

7. Fundraising Update:

Bags2school/ clothes bank:

- Collection date re-arranged for 6th May. This was the earliest date available. A second date is booked for 23rd September.
- Discussion around a permanent clothes bank – Feniton PTFA has found this a good source of income and useful for the community too. Need to look at potential options for where this could be located. JS to look into the provider to confirm legitimacy. They offer the same money per kilo as current provider.

Sunflower competition – ND to discuss plan with Mrs Boulton before being taken forward by SG.
Need to distribute seeds before Easter to ensure time to grow.

Red Nose Day 18th March 2021 – Collect and bank donations.

Village Quiz – Complete and winner selected.

Logo competition – Complete and winner selected by Parish Council. Logo is now being used.

Wellness Marathon – Positive feedback so far. Hard to predict how many children are taking part so medals to be ordered once completed forms have been received. Forms to be requested in after the Easter break.
