STATEMENT OF SAFEGUARDING CHILDREN

At West Hill Primary School, our school community has a duty to safeguard and promote the welfare of children who are our pupils. This means that we have a Safeguarding Children and Child Protection Policy and Procedures in place which we refer to in our prospectus. All staff including our volunteers and supply staff must ensure that they are aware of our procedures. Parents and carers are welcome to read these on request.

Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare. We will always ensure that our concerns about our pupils are discussed with their parents/carers first unless we have reason to believe that this is not in the child's best interests.

1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

3.2 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Issuing fixed-penalty notices, where necessary

3.3 The attendance officer

The school attendance officer:

- Monitors attendance data across the school and at an individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence

- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

3.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

3.5 School office staff

School office staff are expected to take calls from parents about absence and record it on the school system.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.55am on each school day when the register for the first session will be taken. Registers will be kept open until 9.10am but arrivals after 8.55am would be marked as late until 9.10am (L code). After 9.10am arrivals will be marked as unauthorised late (U code) which is an unauthorised absence and could be subject to legal escalation. The register for the second session will be taken at 1.15pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence as soon as practically possible (see also section 7). A telephone call is acceptable. An absence list is kept in the school office to record all phone calls regarding absences and the reason for absence is noted on SIMS register. Ideally, however, when their child returns, parents should send a letter to school explaining the absence. If no notification, either in the form of a phone call or letter, is received about a child's absence, the school Administrator contacts the parent/carer by telephone.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment by showing a letter, text or appointment card.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

Before the register has closed will be marked as late, using the appropriate code.

After the register has closed will be marked as absent, using the appropriate code.

All pupils who are late must be brought to the school office by their parent/carer and the administrator records this in the late book.

The school administrator is responsible for collating monthly attendance records in school and notifies the headteacher if there is any reason for concern. The headteacher contacts the parent if lateness or lack of attendance persists.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

Follow up on their absence with their parent/carer to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

4.6 Reporting to parents

At the end of the year, each child's attendance is analysed using the SIMS attendance software and is reported on the end-of-year school report.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision
- Bereavement
- Other possible exceptional circumstances where the Headteacher may grant term-time holiday

5.2 Reducing persistent absence

The persistent absence threshold is 10%. If a pupil's individual overall absence is greater than or equal to 10%, the pupil will be classified as a persistent absentee. The headteacher will assess whether there is any exceptional circumstances for the persistent absence eg. long term illness and where appropriate, parents will be contacted via letter to arrange a meeting.

5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

Attendance Targets

The Governing Body agree an attendance target each year, to reduce the overall absence rates (i.e. authorised and unauthorised absences combined). The annual target is based on the total absences expected in the school year, expressed as a percentage of the total possible attendances by pupils at the school.

Newsletter

- The weekly attendance figure is published at the start of each weekly newsletter and compared to the yearly target.

Class Organisation/Lessons

- Lessons on telling the time.
- Children may design posters for attendance and punctuality to be displayed around the school.
- Class/School Council discussions on feelings, likes and dislikes about school.
- PSHE and Citizenship lessons may explore attendance.
- Questionnaires to pupils and parents.
- Peer group support – contacting friends who are absent.

- Positive support for those pupils who have been absent for a significant period – planned re-integration.

Rewards

- Special Headteacher Award Certificates are presented annually, to those children with 100% attendance at the end of the academic year.

7. Attendance monitoring

The attendance officer at our school monitors pupil absence on a monthly basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2). Pupils/carers are expected to call the school each day their child is ill.

If a pupil's absence goes above 5 days, the school will contact the parent/carer of the pupil to discuss the reasons for this.

If a pupil's absence continue to rise after contacting their parent/carer, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the Governing Board.

Attendance data is collected and stored, and is used for internal purposes – for example, to track the attendance of individual pupils, identify whether or not there are particular groups of children whose absences may be a cause for concern, and monitor and evaluate those children identified as being in need of intervention and support.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum 3 years by the headteacher. At every review, the policy will be approved by the full Governing Board.
